Re: T-03267A-06-0512
McLeodUSA Telecommunications Services, Inc.
Arizona Access Tariff No. 4

Dear Sir or Madam:

Enclosed are an original and thirteen (13) copies of substitute pages to amend the McLeodUSA Telecommunications Services, Inc.'s ("McLeodUSA's") Arizona Access Tariff No. 4 revision submitted on August 10, 2006 (T-03267A-06-0512). Per discussion with staff, Armando Fimbres, McLeodUSA respectfully submits replacement pages for Sheet Nos. 29 and 71. These replacement pages contain the proposed maximum rates for the Return Check Charge and the Tandem Switched Facility-Per Mile rates that were accidentally omitted from the original tariff revision. Also, the tariff header has been corrected and reflects 'Arizona Access Tariff No. 4.'

The tariff issue date of August 10, 2006 and a proposed effective date of October 10, 2006 should remain the same at this time. It is my understanding that the Commission's decision date will be the effective date. Thank you for your assistance in processing this filing. If there are any questions, please do not hesitate to contact me at (319) 790-2250 or jredman-carter@mcleodusa.com.

Sincerely,

Arizona Corporation Commission

SECTION 2 – REGULATIONS

2.6 Payments (Cont'd)

2.6.2 Billing and Collection of Charges (Cont'd)

- (D) Billing of the Customer by the Company will begin on the Service Commencement Date. Upon request, the Service Commencement Date may be postponed by mutual agreement of the parties, or if the service or facility does not conform to standards set forth in this tariff or the Service Order. Billing accrues through and includes the day that the service, circuit, arrangement or component is discontinued.
- (E) If any portion of the payment is received by the Company after the date due, or if any portion of the payment is received by the Company in funds which are not immediately available upon presentment, then a late payment penalty shall be due to the Company. The late payment penalty shall be the portion of the payment not received by the date due, multiplied by a late factor. The late factor shall be the lesser of:
 - (a) a rate of 0.000590 per day, compounded daily; or
 - (b) the highest interest rate which may be applied under state law for commercial transactions.
- (F) The Customer will be assessed a charge of fifty dollars (\$50.00, with a maximum rate of \$55.00) or the maximum permitted by law for a customer, whichever is greater, for each check submitted by the Customer to the Company which a financial institution refuses to honor.

(Section 2.6.2(G) moved to Sheet No. 30 due to space limitations.)
